Faxed the analytical data to you this morning - let me know if you don't receive it. Thanks.

Just the chemical analysis reports would be fine. No need to rush—at your convenience would be great. Thanks.

Jim-

I'll try to get these done either today or tomorrow. Also, is it just the chemical analysis reports that are needed, or do you want the chain of custody, results sheet, etc. too? Thanks.

Sonja:

I am required to provide the chemical analysis reports for the three above referenced drug certificates. Would you please send to me when you get a chance. Sorry in advance for any inconvenience this may cause.
